

**CETERNITY**

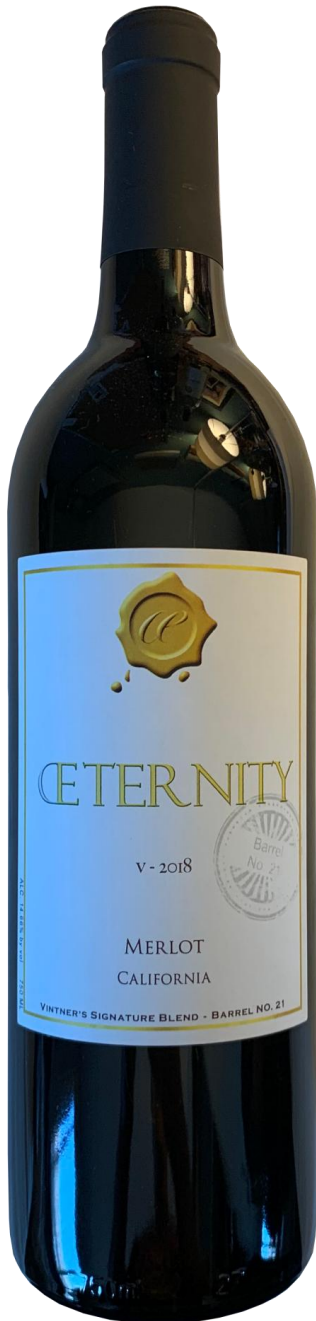

**MERLOT**

*Sierra Foothills, California*

*This wine was designed to elevate the Merlot grape into a complex and reflective experience, each sip brings you deeper into the Sierra Foothills wine growing region where vines were meticulously planted many years ago. The well-drained soils are rich in a multitude of minerals and stretch the roots of each vine. The result is a limited yield of concentrated flavors that develop and matures time goes on.*

**PAIRINGS**

This Sierra Foothills Merlot features medium low acidity and high alcohol, making it perfect for pairing with sweeter dishes. Barbeque sauce will be ideal, slow cooked ribs or brisket are the way to go.
